Why Southern Lumber chooses Carolina Machine Finishing

We have been a partner with Carolina Machine Finishing since the day they opened twenty plus years ago.

The Carolina Machine Finishing Process encapsulates our outdoor Elite Trimboards on all 6 sides. The oil-based paint deters moisture from entering the wood cells.

Carolina Machine Finishing is committed to supplying superior products to their customers throughout the South. They have been able to ensure a high quality product that is a first choice for contractors, homeowners and architects alike. It's a proven success story.

Protect the exterior of your home from the sun and weather. Add an additional layer of protection with a painting warranty of up to 25 years on most exterior surfaces.

SPECIALIZING IN:

- * Cedar, Cypress, Garapa, Pine & More
- * Fibered Cement Shingles, Siding & Trim
- * Cedar Shake Panels
- * PVC Trim & Decking
- * Composite Trim
